Undue Delay

A Competitor "Out of Position" shall be subject to penalty if during the round, he/she takes 40 seconds to complete his/her swing. If a player exceeds the time limit on one (1) occasion, he/she will then be cautioned that if he/she exceeds the time limit on one more occasion, (total of 2), he/she will automatically incur a penalty of one stroke, under Rule 6-7. If a player exceeds the time limit on one more occasion (total of 3), he/she will incur an additional two-stroke penalty. If a player exceeds the time limit a total of four (4) times, the penalty is disqualification.

REGULATION: Procedures for Undue Delay

- i) Officials will use discretion concerning pace of play of early groups. All groups will be expected to play at a reasonable pace. The first group to start will be considered out of position if, at any place during the round, the group is behind the allotted time to play. The following group will be considered out of position if it, (a) is taking more than the allotted time to play and, (b) reaches the tee on a par 4 or par 5 that is clear of all players. A group out of position will be notified that they are out of position and will be subject to individual timing.

TOURNAMENT RULES & REGULATIONS

- ii) The timing of a player's stroke will begin when a player has reached his/her ball and it is clearly his/her turn to play. A player will be allowed a maximum of 40 seconds to complete his/her stroke. Note: an additional 10 seconds will be allowed for; a) the first to play from the teeing ground on a par 3 hole, b) the first player to play a second stroke on a par 4 or par 5 hole, c) the first player to play a third stroke on a par 5 hole, or d) the first player to play on or around the putting green. Time spent selecting a club and other preparation in preparing to play will count as time taken for the next stroke.
- iii) If a player exceeds the time limit on one occasion, he/she will immediately be cautioned that if he/she exceeds the time limit on the next occasion, he/she will automatically incur a penalty under Rule 6-7 of one (1) stroke.
- iv) If a player exceeds the time limit a total of four times the penalty is disqualification.
- v) All players in a group out of position shall be notified they are being timed and observed. Notification to a group out of position will be given after all players have left the teeing ground and prior to playing any subsequent strokes. Being out of position does not necessarily imply slow play. It is relevant that there be no future undue delay when a group is out of position.
- vi) Timing will discontinue when the group has regained its position. Times previously recorded that have exceeded the limit, however, will be held over for further occurrence.
- vii) Any player who is penalized shall immediately be informed after playing from the teeing ground from the next hole, or in the event of a penalty during play of the last hole of the round, in the scoring area.
- viii) Professionals playing in events with invited amateurs are responsible for the amateurs' pace of play.

Penalty for Breach of Rule 6-7

First Offense	Warning
Second Offense	One (1) Stroke Penalty
Third Offense	Two (2) Stroke Penalty
Fourth Offense	Disqualification

REGULATION: *The tournament committee will present multiple occurrences of pace of play to the Board of Directors. Offenders will be subject to fine or suspension of Playing Privileges.*

Section 5. GOLF CARS AND CADDIES

The use of motorized Golf Cars will be mandatory at section tournament sites unless otherwise specified on the tournament entry.

REGULATION: *A player may not carry his/her own clubs during Connecticut Section PGA events unless specified on the entry form. If a player has employed a caddie during the round, it is not a requirement that the caddie carry the players clubs. The clubs may be transported by golf car. At no time will both the player and the caddie be allowed to ride together in a golf car during a stipulated round. Penalty for breach of this condition is as follows – (Stroke Play) First offence will result in a warning, all other offences, two strokes for each hole at which any breach occurred; maximum penalty per round; four strokes. In the event of a breach between the play of two holes, the penalty applies to the next hole. (Match Play) At the conclusion of the hole at which the breach is discovered, the state of the match shall be adjusted by deducting one hole for each hole at which a breach occurred. Maximum deduction per round; two holes.*

REGULATION: *Competitors will be permitted to take a caddie only if the host club's policy permits them to do so and the Official Entry specifies permission.*

REGULATION: *If a competitor chooses to take a caddie, when permitted, the player will not receive a refund for any golf car fees included in the entry fee.*

Release of Liability**

REGULATION: Ban on the Use of Metal Spikes: *The section, as a condition of competition, require all competitors at a "Host Club" that has a ban on the use of Metal Spikes to wear spikeless/non-metal golf shoes. Disclaimer: This requirement is a policy of the Host Club and is not a policy of the Connecticut Section. The use of spikeless/non-metal golf shoes may result in the participant slipping on wet or damp surfaces (inclusive of but not necessarily limited to turf areas, wooden areas such as bridges and pathways, etc.) and reduced traction on non-level areas of the golf course. All participants hereby acknowledge that potential dangers relative to the use of spikeless/non-metal golf shoes have been disclosed to participant and participant agrees to assume the risk of sustaining an injury arising from or attributable to the use of spikeless/non-metal golf shoes at the Host Club's premises. The participant here releases the section and section's officers, directors, members, employees, successors, and the assigns (the "Indemnified Parties") from any and all claims for loss or damage, inclusive of but not limited to personal injury, whether or not caused by participant's use of spikeless/non-metal golf shoes at the Host Club's premises in connection with the tournament. The consideration for this release is the permission granted by section to the participant to participate in the golf tournament. This release binds not only the participant, but also the participant's spouse, heirs, legal representatives and assigns.*
